

Meet the Author

C.K. MILLER

Author ~ Illustrator ~ Black Belt

C. K. Miller writes clean, high-stakes young adult fantasy and science fiction filled with heart-pounding action, fierce loyalty, and heroes who refuse to give up on the people they love.

Raised among the forests and castle ruins of Bavaria, Germany, she discovered writing after moving to the United States at fourteen, finding belonging through stories created with a friend.

A black belt with over eight years of martial arts training, she brings authentic action and movement to her stories. She also creates her own cover art, bringing her fictional worlds to life both in words and in pictures.

Author of *The Roanfire Saga* and *Freerunner*, she lives in Colorado with her husband, three sons, opinionated quail, and a jewelry-stealing feline writing companion.

WHAT READERS ARE SAYING

I was obsessed with your story right from the first page of the first book. One of the few authors that I just buy all the books for without a second thought.

-Jennifer Ann Schlag, Reader

SERIES SPOTLIGHT

THE ROANFIRE SAGA

Complete Four-Book YA Fantasy Series

C. K. Miller's *Roanfire Saga* is a sweeping YA fantasy series filled with ancient curses, forbidden love, fierce loyalty, and the dangerous cost of power.

When Kea, a loyal soldier of Roanfire, is accused of murdering her king, she's forced to flee everything she's sworn to protect. Haunted by visions of a dead city and a mysterious ruby, she finds an unlikely ally in an enemy prince whose secrets may be as dangerous as her own.

As kingdoms clash and loyalties are tested, Kea must confront an ancient curse, the power in her blood, and the cost of fighting for the people she loves.

SERIES HIGHLIGHTS

Ancient
Curse

Enemy Pirate
& Loyal Soldier

WHAT READERS ARE SAYING

"Just one more chapter...
OMG is that the sun?!"
-Paula Menz

"A wicked tale full of
suspense and twists you
won't see coming."
-Reader Praise

"Everything an epic fantasy
should be—and then some."
-Reader Praise

FEATURED TITLE

FREERUNNER

AN ADRENALINE-FUELED SCI-FI THRILLER

C. K. Miller's *Freerunner* blends parkour, dangerous technology, and a terrifying question: **What if your greatest fears became your reality?**

In a world of biotech enhancements, seventeen-year-old Flip Carson is desperate for an edge. He steals his father's experimental bracer—and begins seeing things no one else can.

As his greatest fears seem to come to life, Flip uncovers a dangerous corporate secret that threatens everyone he cares about. Now, the shortcut he thought would make him stronger might cost him everything.

Packed with action, suspense, and heart, *Freerunner* explores friendship, accountability, and what it means to make the most of the strengths you have.

STORY HIGHLIGHTS

PARKOUR • BIOTECH ENHANCEMENTS • PSYCHOLOGICAL SUSPENSE •
UNLIKELY FRIENDSHIPS • DISABILITY REPRESENTATION

WHAT READERS ARE SAYING

"Relentless, fast-paced, and impossible to put down."

"Freerunner is a book that keeps you thinking about it even weeks after finishing!"

MEDIA & EVENTS

BEYOND THE BOOKS

Stories worth sharing. Conversations worth having.

INTERVIEW & EVENT TOPICS

Writing Action That Feels Real

How more than eight years of martial arts training influence C. K.'s approach to writing authentic action, physical challenges, and believable characters.

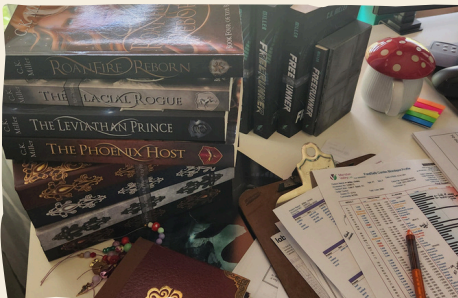

From Manuscript to Cover Art

A behind-the-scenes look at writing and illustrating her own books, from imagining fantastical worlds to bringing them to life.

Could You Survive Freerunner?

An *interactive* adventure where teens explore futuristic enhancements, confront unexpected challenges, and discover that every advantage comes with a cost.

Finding Home in Two Worlds

From growing up in Germany to navigating a new language and culture in America, C. K. shares how storytelling helped her find belonging.
